

# **Sustainable Living To Improve our Environment & Local Economies**

**Saturday Oct. 7, 2015  
10:00 AM  
Walker Lake Clubhouse  
100 Walker Lake Rd  
Shohola, PA 18458**

The Twin & Walker Lake Creeks Watershed Conservancy is honored to host Jocelyn Cramer, Executive Director SEEDS (Sustainable Energy Education and Development) as our annual meeting speaker. Ms. Cramer will discuss the inspiration for forming SEEDS, a brief history and their major accomplishments and future goals. This non-profit organization has been promoting energy efficiency and sustainable living to improve the health of the environment and local economies.

## **TWCWC 2017 Photo Contest**

Winners of the TWCWC Photo Contest will be announced following the presentation. Go to (<http://www.twcwc.com/>) for Photo Contest details.
