### **Butterflies, Bugs and your Backyard**

Butterflies are beautiful and there are plenty of helpful bugs in your backyard. Join us for an hour of exploration for native insects in the forest and pond of Walker Lake Clubhouse. Participate in bug hunts, learn about our monarch butterfly friends and plant milkweed seeds to take home!

Stephanie Sherman is the Director of Education for Pocono Environmental Education Center. Growing up near the Lehigh Valley, Stephanie has spent most of her life exploring nature as a camper and naturalist. She has spent the last twelve years working for and studying various environmental education centers in Northeast Pennsylvania.
